TAMUCC Student Services

At TAMUCC, 36 departments provide services for students. The following list represents those offices and provides a brief description of services, along with the associated website for further information.

**Academic Affairs**

**Institutional Advancement**

**Student Engagement & Success**

**Finance & Administration**

**Academic Advising** - [http://www.tamucc.edu/academics/academic_advising.html](http://www.tamucc.edu/academics/academic_advising.html)

The award-winning Academic Advising Transition Center at Texas A&M University-Corpus Christi serves undergraduate students in their transition to the University, and offers services specifically catered to prospective transfer students as well as current A&M-Corpus Christi students who have not declared an academic major. [http://aatc.tamucc.edu/](http://aatc.tamucc.edu/)

Each College at the University has academic advisors to assist you. For more information, please use the links below:

- College of Business
- College of Education
- College of Liberal Arts
- College of Nursing and Health Sciences
- College of Science and Engineering

**Academic Programs Abroad** - [http://oie.tamucc.edu/study_abroad_programs/index.html](http://oie.tamucc.edu/study_abroad_programs/index.html)

The Study Abroad Programs promote and support international educational opportunities for the Texas A&M University-Corpus Christi community by developing and administering well-run and academically challenging programs that complement the A&M-Corpus Christi curriculum. The Study Abroad Programs staff work to provide Study Abroad programs that are affordable and accessible to A&M-Corpus Christi students in all academic disciplines.

Currently, A&M-Corpus Christi offers Faculty-Led Programs, all Texas A&M University System institutions, and independent programs.

Students begin the process of choosing a Study Abroad program by visiting the Office of International Education - Study Abroad Programs Resource Center. The Resource Center serves as a library of materials regarding study abroad programs and includes course listings.

**Business Office** - [http://businessoffice.tamucc.edu/](http://businessoffice.tamucc.edu/)

At the Texas A&M University-Corpus Christi Business Office, students will find information such as tuition, fees, payment options, important dates and links to other sites related to student financial topics like The Texas Higher Education Coordinating Board and the U. S. Department of Education.

**Career Services** - [http://career-services.tamucc.edu/faculty.html](http://career-services.tamucc.edu/faculty.html)
The mutual goal of both our faculty and career center is student success. By working together, faculty and career services can ensure the transition from student to a member of the workforce is as seamless as possible.

Think of the path our students take to their professional career as a camping trip. Our faculty does an outstanding job of “filling the students’ backpacks” with the knowledge and practical skills they need to thrive once they reach their destination. At Career Services, we provide the maps and compasses, and serve as guides for students conducting their career exploration.

Center for Academic Student Advancement (CASA) - http://casa.tamucc.edu/

The Center for Academic Student Achievement's vision is to assist in closing educational gaps by Integrating, Engaging, Motivating, Retaining, and Graduating students through academic support and mentoring services.

College of Graduate Studies - http://gradschool.tamucc.edu/index.html

Texas A&M University-Corpus Christi offers nearly 40 graduate programs geared to equip students with essential leadership skills that will allow them to take the helm in their chosen fields and industries.

Disability Services - http://disabilityservices.tamucc.edu/

Disability Services (DS) is the hub for coordinating services and accommodations to ensure accessibility and utilization of all programs for all Texas A&M University-Corpus Christi students with disabilities. Our services are designed to meet the unique educational needs of enrolled students with documented permanent or temporary disabilities. DS provides intake and consultation services to students seeking to register with our office. We review individual’s documentation of disability and assess eligibility for services and determination of reasonable accommodations.

The Office of Engagement Initiatives is dedicated to creating unique programs to meet the needs of a growing and diverse student population at Texas A&M University-Corpus Christi.

First-Year Islanders (FYI) - https://fyi.tamucc.edu/

The first year of college can be tough. It's sometimes a challenge to go from high school life to the more independent higher education experience. Texas A&M University-Corpus Christi has extensive experience in supporting the academic and social needs of its first-year students. Our efforts have brought national acclaim from many organizations, including the Foundations of Excellence in the First College Year® project.

Honors Program - http://honors.tamucc.edu/about
The Honors Student Association, or HSA, is the official student organization for Honors. All Honors students are encouraged to attend meetings and participate in activities. HSA elects about 20 officers each year and they play an important role in providing opportunities and activities for their fellow students. HSA meets monthly during the fall and spring semesters.

I-CARE - [http://icare.tamucc.edu/](http://icare.tamucc.edu/)

The I-CARE Team is the Island University's behavioral intervention team for students of concern and is coordinated by the Associate Dean of Students Office under the division of Student Engagement and Success.

The mission of Texas A&M University-Corpus Christi Athletics is to develop and prepare student-athletes for lifelong success, guided by the principles of The Islander Way.

The Islander Way was developed as a mode of operation for students and staff at Texas A&M University-Corpus Christi. These 21 words outline the core values of the institution and serve as a code by which all Islanders strive to live and work.

“Islanders are prepared to achieve excellence through integrity and respect, devotion to team above self and loyalty to the Island University.”

Islander Athletics - Academic Services - [http://www.goislanders.com/information/academics/index](http://www.goislanders.com/information/academics/index)

The mission for the Center for Athletic Academic Services is to provide services to student-athletes that will enhance their academic experience, assist in their retention and development as students as well as promote the CHAMPS/Life Skills program and the five commitment areas:

1. Academic Excellence
2. Athletic Excellence
3. Personal Development
4. Career Development
5. Service

Services include supervised study hall, a computer lab, individual and group tutoring sessions as well as the availability of learning assistants. Scholastic supervisors work with the athletic department, students, coaches, faculty and staff to coordinate the student-athlete's schedule, determine academic eligibility, and provide necessary support to the student-athlete.

Islander Transition Center – [http://aatc.tamucc.edu/](http://aatc.tamucc.edu/)

The Islander Transition Center at Texas A&M University-Corpus Christi serves undergraduate students in their transition to the University, and offers services specifically catered to prospective transfer students as well as current A&M-Corpus Christi students who have not declared an academic major. Staff work to assist students in addressing their questions and concerns regarding admission processes and transfer coursework, as well as provide academic
guidance for students who remain undecided in their field of study. In addition to this, the ITC works in conjunction with other departments to ensure the availability of campus support services to assist students and the University in both the areas of educational success and student retention.

**IT Services** - [http://it.tamucc.edu/](http://it.tamucc.edu/)

It is the mission of Information Technology to provide appropriate media and computer infrastructure and related services to students, faculty, administration, and staff in support of accomplishment of their missions. Infrastructure and services are to be provided in accordance with the guidance established by various technology planning and oversight committees, State and Federal law and within the funding resources allocated.

**Judicial Affairs** - [http://judicialaffairs.tamucc.edu/](http://judicialaffairs.tamucc.edu/)

The Office of Judicial Affairs exists to help ensure a safe and healthy educational environment for the students, faculty and staff of the Texas A&M University-Corpus Christi campus. This is accomplished by assisting students who are experiencing a crisis situation, providing educational programs regarding personal and campus safety issues and overseeing discipline issues in regards to the Student Code of Conduct. We also take pride in being an advocate for students and student issues.

**Mary and Jeff Bell Library** - [http://rattler.tamucc.edu/](http://rattler.tamucc.edu/)

The library offers a variety of resources and information for research and instruction. Librarians are available to provide assistance to faculty and students and library facilities are provided for student study and collaboration.

**Office of Academic Testing** – [http://testing.tamucc.edu/](http://testing.tamucc.edu/)

The Office of Academic Testing at Texas A&M University-Corpus Christi serves the student population and the Coastal Bend community with their testing needs. The office is charged with ensuring that undergraduate students meet the requirements set forth by the Texas Success Initiative. The office also provides test scoring services for faculty.

**Office of Distance Education & Learning Technologies** - [https://iol.tamucc.edu/](https://iol.tamucc.edu/)

The Office of Distance Education and Learning Technologies provides leadership, coordination, management, and support to the e-learning activities of Texas A&M Corpus Christi. The office works collaboratively to provide educational opportunities throughout Texas and beyond, provide open learning environments so that learning can occur anytime and anyplace, and distribute faculty knowledge and expertise to benefit society and the economic vitality of the Coastal Bend.

**Office of International Education** - [http://oie.tamucc.edu/about_oie/staff.html](http://oie.tamucc.edu/about_oie/staff.html)

The Office of International Education provides orientation, advising, and support to International students attending TAMUCC. The office is committed to insuring student success with services and programs are specifically tailored to fostering student leadership and personal development.
**Office of Recruitment and Admissions** - [http://admissions.tamucc.edu/](http://admissions.tamucc.edu/)

The Office of Recruitment and Admissions oversees recruitment activities such as Island Days. Events such as the New Student Orientation as well as other resources provide information and support to incoming students.

The mission of the Office of Student Financial Assistance at Texas A&M University-Corpus Christi is to inform students of the availability of federal, state and local financial assistance programs. Financial assistance awards are processed in compliance with the laws and guidelines governing each program.

The Office of the Registrar at Texas A&M University-Corpus Christi maintains student records from matriculation to graduation. The Registrar's Office also oversees registration and course enrollment, issues transcripts and certificates of enrollment, maintains the academic calendar, tracks degree requirements, and administers academic policies. The office acts as a resource for faculty regarding course enrollment, grading and exams. In addition, the Registrar's Office serves as the compliance authority in matters related to the Family Educational Rights and Privacy Act (FERPA).

**Programs for Academic Student Support (PASS)** - [http://pass.tamucc.edu/](http://pass.tamucc.edu/)

PASS is comprised of four federally funded United States Department of Education (DOE) academic support programs. First In The World STEM-Online Supplemental Instruction Project (STEM-OSIP), Student Support Services (SSS); STEM Outreach, Access and Retention (SOAR); and McNair Scholars Program. DOE provides combined yearly funding to PASS of $2,101,366 to increase student retention and graduation rates through the following grants: FITW – P116F140206, SSS - P042A101122, SOAR - P031C110015, McNair - P217A120159

PASS programs serve the needs of low-income, first generation college students and underrepresented students in higher education. The major goal of PASS is to increase students retention and graduation. Each of the PASS programs provides a pathway to student academic success.

**Recreational Sports** - [http://recsports.tamucc.edu/](http://recsports.tamucc.edu/)

The Recreational Sports Department provides facilities, equipment, and opportunities for participation in a variety of sports, recreational and social activities designed to accommodate all ages, skill levels, gender, and sports interests for the University community.

Participation facilitates educational interaction outside of the classroom among students, faculty and staff. The activities stimulate a sense of community; provide leadership and development opportunities; and promote individual wellness.

**Scholarship Programs** - [http://scholarships.tamucc.edu/index.html](http://scholarships.tamucc.edu/index.html)
Texas A&M University-Corpus Christi offers a variety of academically competitive scholarships for all students. The Scholarship Office assists students with the application process. The liaison also coordinates the process of manages and awarding scholarships.

**Student Foundation Office** - [http://studentfoundation.tamucc.edu/](http://studentfoundation.tamucc.edu/)

The Student Foundation Association is dedicated to raising funds for student scholarships through programs that promote education, student leadership development, campus pride, and alumni involvement.

Student foundation raises money for a student scholarship endowment that helps student leaders pay for their tuition, through various events like, "Islander Revue", "Go Blue, Give Green" and the "Walk of Recognition" programs.

Aside from raising money, Student Foundation is the "Face of the University" to the outside community. Student Foundation members volunteer at many donor, community, and Islander Alumni events. Student Foundation members also get to attend various "SFA Only" events and enjoy several professional and career building networking opportunities.

**Transportation Services (RTA)** – [http://www.tamucc.edu/about/location/transportation/](http://www.tamucc.edu/about/location/transportation/)

The university transportation system is provided in partnership with the Corpus Christi Regional Transportation Authority (CCRTA). Texas A&M-Corpus Christi students, faculty, and staff can ride on any CCRTA bus **FOR FREE** by presenting a valid SandDollar$ ID card.

**Travel** - [http://purchasing.tamucc.edu/travel/Student%20Travel.html](http://purchasing.tamucc.edu/travel/Student%20Travel.html)

The Travel office provides assistance and coordination with student travel associated with the university. Students must complete and submit various forms according to procedure. Resources such as forma and checklists for trip preparation are available on their website.

**University Center & Student Activities** - [http://studentactivities.tamucc.edu/](http://studentactivities.tamucc.edu/)

The University Center and Student Activities Department encourages, supports and commits to providing leadership, development and involvement opportunities for the campus to inspire people to be their best self. We are dedicated to enhancing the student experience by fostering community in an inclusive environment where our campus can engage, learn, and laugh with one another.

**University Counseling Center** - [http://counseling.tamucc.edu/](http://counseling.tamucc.edu/)

The University Counseling Center provides short-term counseling and psychiatric services, skills training and workshops to help students reach their academic and personal goals.

**University Health Center** - [http://healthcenter.tamucc.edu/](http://healthcenter.tamucc.edu/)

The University Health Center provides services to students including immunizations, physicals, clinical services, pharmacy, etc. Health related information and resources are also provided.

**University Housing** - [http://housing.tamucc.edu/](http://housing.tamucc.edu/)
TAMUCC has two Islander Housing Communities to meet student needs. Camden Miramar and Momentum Village are available to any enrolled Islander. New students can apply for housing as soon as they have been accepted to the university.

**University Police Department - [http://police.tamucc.edu/](http://police.tamucc.edu/)**

Texas A&M University-Corpus Christi Police Department is committed to providing quality professional law enforcement which ensures a safe and secure learning and working environment. We are dedicated to enforcing the laws and regulations by utilizing a community policing philosophy. We strive to serve with excellence and integrity by providing proactive service and encouraging awareness through crime prevention efforts.

**University Services – [https://universityservices.tamucc.edu/](https://universityservices.tamucc.edu/)**

University Services is dedicated to providing essential goods and professional services to students, faculty, staff, and visitors to our campus. Our goal is to enhance the quality of student life, ensure the best value to our customers, and provide support to the education, research, and public service mission of the University.

**Veterans Affairs Office - [http://vets.tamucc.edu/index.html](http://vets.tamucc.edu/index.html)**

TAMUCC is committed to recruiting, retaining, and supporting active duty servicemembers, veterans, and dependents to maintain a diverse and highly qualified student body, faculty, and staff. Resources and information are available to provide assistance to veteran students.
